# All Major Octave Chords

These are blocked and broken Major Octave Chords that move up chromatically in half steps. Play what is written first, and then try to play around with this!

Have fun improvising and creating music of your own.

JERALD SIMON

With Feeling ♩ = 120

The musical score is written for piano in 4/4 time, with a tempo of 120 beats per minute. It consists of four systems of music, each with a treble and bass clef staff. The first system (measures 1-4) starts in C major. The second system (measures 5-8) moves to D major. The third system (measures 9-12) moves to E major. The fourth system (measures 13-16) moves to F major. Each system features a sequence of major octave chords, with some measures containing triplets of chords. The bass line often plays a simple harmonic accompaniment, while the treble line features more complex rhythmic patterns, including triplets and broken chords.
